

# GARAGE SALE

Updated 4/21/23

No longer available parts, one-of-a-kinds, rare used parts, new old stock, specials...you get the idea. This is a long list, in no particular order, but there is something here for everyone: Mini, Morris Minor and 1100/1300. Quantities limited. All sales final. Postage is added at cost.

## MINI:

- Rebuilt **cylinder head**, the first Cooper S head, used on early 1071cc, suitable for all A-series engines thru 1098cc, 9-stud mounting, 1.15" intake valves, 1" exhaust valves, all new parts, as new in every respect, **12A185 \$595.00** complete
- New **engine stabilizing kit**, for 1100/1300 gearboxes installed in Mini, **5314 \$39.95**
- Used **hubcaps**, 1275GT, '79-'80 1000, silver & black plastic, excellent, **FAM5359 \$20.00 set 4**
- New **brake pipe union**, double male, connects two female ends on pipes. **2253 \$.90**
